

## Job Offer

The Swiss Business Hub (SBH) Korea, integrated in the Embassy of Switzerland in Korea, is a network partner of Switzerland Global Enterprise (Swiss trade & investment promotion agency) and is responsible for Swiss export and investment promotion activities in Korea. The SBH is now looking to fill in a vacant position with a fixed term (maternity leave replacement):

## **Senior Investment Officer**

Reporting to the Head Swiss Business Hub Korea, based in Seoul

You are a high-achieving graduate with a bachelor or master degree, with a flair for business activities and good communication skills. You need at least 5-8 years of work experience in an industrial or science/engineering sector. You are used to carrying out tasks carefully and independently and at the same time you are a dynamic person. In addition to your Korean mother tongue, you are a confident English speaker and writer. A good knowledge of a Swiss official language will be an asset (written and oral). Being open-minded, a good communicator and willingness to work in a team are additional requirements for this post.

## Your tasks will include:

- Promoting and selling Switzerland Innovation (Switzerland Innovation Parks and services, www.switzerland-innovation.com) amongst the most potential target companies
- Strategic and conceptual planning and evaluation of Swiss Investment Promotion IP activities. Analysis
  of the market for its potential in Investment Promotion
- Identification and pro-active outreach to potential companies for localization in Switzerland. Individual consulting of such companies
- Operative management of promotion activities including event management, personal participation at marketing activities
- Represent the Swiss Business Hub at events (networking, etc.)
- Daily use of CRM and other IT tools (Intranet, LinkedIn, etc.)
- General administrative work, office backup

## Your skills will include:

- University degree, ideally in science/engineering, economics or business administration
- Several years of professional experience in relevant business sectors
- Knowledge of Korean industries and technologies, especially related to Al and blockchain
- Familiar within science and technology research programs either within academia or corporates
- Strong business development consulting / sales skills
- Ideally, personal experience related to Switzerland
- Good IT skills for managing social media tools

Fixed employment period: October 2021 - November 2022 (14 months)

Place of employment: Embassy of Switzerland, Seoul

If you are interested in a job with a considerable variety at the interface of public and private affairs, please send your CV together with your motivation letter until <u>July 26, 2021</u> to Mr. Roger Zbinden, Head Swiss Business Hub Korea, e-mail: seoul.sbhkorea@eda.admin.ch.

Only candidates selected for further consideration will be contacted.
